

Stationery List Grade 6 2026

Congratulations and welcome to Grade 6!

Please note that although we provide your child with a **starter stationery package** which includes all the essential items, this will **not last** the entire year and will have to be replenished by you when necessary.

In addition to the starter stationery package that we provide you with, you will also need to purchase the following items which we require each learner to bring on the **first** day of school.

Please ensure that all stationery is clearly labelled with your child's name.

- Correct school bag navy blue, strengthened with divisions – not sling bags. Bags may be ordered from the office – R400.
- Pencil box/bag (large) to contain stationery items
- 1 x Oxford / Juta South African English School Dictionary (NOT miniature)
- Learners taking Afrikaans FAL: 1 x Oxford / Juta Afr to Eng Bilingual Dictionary
- Learners taking isiXhosa FAL: 1 x isiXhosa / Eng Bilingual Dictionary •
Tissues (2 boxes of 200 tissues)

We hope you enjoy the year with us!
